

## Public Works

In addition to the requirements of Title 29, Chapter 69 of the Delaware Code for procurement, public works solicitations require:

- Review and approval by the OMB Division of Facilities Management (DFM) pursuant to [29 Del Code § 6307 A](#) , [29 DE Code §7419](#), [29 Del Code §6962 \(d\) \(4\) \(a\) \(5\)](#) and [Executive Order 18](#).
- Review and approval by the Delaware Architectural Review Board (AAB) pursuant to [29 DE Code §7308](#).
- Prevailing Wage Determination (as approved by the DOL)

Copies of these approvals as referenced above must be included with the submission for solicitation posting.

Next, to ensure timely review please provide responses to the questions below.
